

Purpose of the project:

• ***Bishop Avenue Intersection Improvements***

The City is adding a right turn lane from eastbound MO 72 to southbound US 63 (Bishop Avenue) and closing access between MO 72 and Spillman Avenue.

• ***Walker Avenue/Adrian Avenue Modifications***

In addition, the City is relocating access north of MO 72 from Walker Avenue to Adrian Avenue. The proposed improvement will close Walker Avenue to northbound traffic. Walker Avenue south of MO 72 will remain unchanged.

Schedule for project:

Start construction in 2020 Q1 and complete construction in 2021 Q3

Benefits of project:

The intersection improvements will improve safety, reduce delay and enhance traffic flow.
